

Auto Parts

Mature sector led by national auto parts retailers and supported by total vehicles in operation and average vehicle age

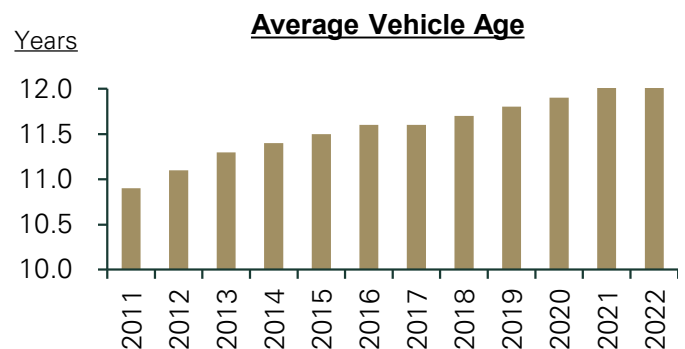

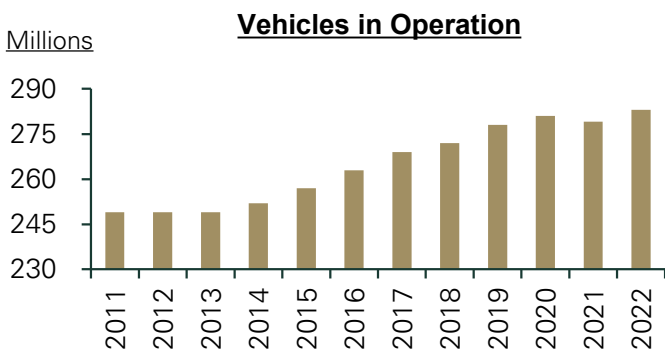

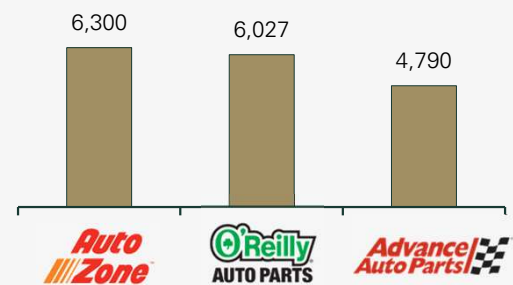

0.5%

OF TOTAL ABR
(as of December 31, 2023)

- 1) Established retail sector led by publicly-traded companies Advance Auto Parts, AutoZone and O'Reilly Auto Parts
- 2) Demand driven by both DIY and DIFM consumers and supported by growing and aging vehicle fleet
- 3) Retailers focused on margin expansion, market share expansion and omni-channel customer experience
- 4) New store growth strategies align well with Getty redevelopment program

National Auto Parts Retailers

U.S. Store Count

Note: Vehicles in Operation and Average Vehicle Age sourced from the 2023 Autocare Factbook. U.S. store counts for National Auto Parts Retailers per latest SEC filings for each company.
